

Web Site Tennis Paragraph

As a part of the Festival the Port Ludlow Racquet Club will sponsor a Tennis Event that will be a fun social event, not a ranked tournament, but a friendly competition.

It will be doubles and will be seven rounds of four games each. Players will change partners after each round and earn points for each game won. Each point won will be added to give a final score. The player with the highest scores will go to the finals and be eligible for prizes.

The entry fee is \$10 which will benefit the Festival beneficiaries, OlyCAP and The Chimacum Schools. Entry Forms will be available at either the Bay Club or Beach Club after May 20. For further information, call Deanna Richards at 360-437-8185.
